

ITEMS BY THE EUROPE.—Great Britain.—In the House of Commons, on Tuesday night, the stability of the ministry was strongly menaced. Mr. Hutt had given notice of a motion that the House address the crown, to direct that negotiations may be forthwith entered into for the purpose of releasing this country from all treaty engagements with foreign States from maintaining armed vessels on the coast of Africa to suppress the traffic in slaves.

The motion was lost by a majority of seventy-eight. The Times designates the support of the African squadron as a deplorable blunder, and says the country must take this matter into serious consideration.

There are pretty evident signs of an approaching dissolution of Parliament.

Ireland.—The bill for the abolition of the Lieutenantcy of Ireland is to be presented to Parliament after Easter.

We learn from Ireland that cultivation is going on more rapidly than was anticipated, and that a great breadth of potatoes have been sown.

Emigration from the southern frontiers of Ireland is rapidly increasing.

Russia.—Accounts from every part of the Empire speak of the remarkable state of the weather. The alternations of heat and frost have been quite unusual and severe, as the winters in Russia generally are; the cold has been more intense this year than in the memory of man.

It is stated from St. Petersburg that an ukase has been issued, according to which the Russian and Austrian Governments engage reciprocally to surrender the Jews who have passed from one country into the other.

Italy.—The Paris Universe has the following: Cardinal Antonicelli has made known to M. D'Arny, that the Holy Father had resolved to leave for Rome in the beginning of April, and that that resolution was about to be communicated officially to the diplomatic corps.

HIS RESTING PLACE.

The citizens of Charleston are anxious that the family of Mr. Calhoun, should permit his remains to be interred in that city. At a meeting of the city council on Friday, the following resolutions were unanimously adopted.

Resolved, That in the opinion of council, the city of Charleston—the chief Metropolis of the State—may with propriety ask for herself the distinction of being selected as the final resting place of the illustrious Calhoun; and that his Honor the Mayor, in behalf of council and the citizens of Charleston, be requested to communicate with the family of the deceased, and earnestly entreat that the remains of him whom we loved so well should be permitted to repose amongst us.

Resolved, That the Mayor be further requested to communicate with his Excellency the Governor of the State, and respectfully solicit his co-operation in this matter.—*South Carolinian*.

MR. WEBSTER.

Nine hundred citizens of Boston have addressed a letter to Senator Webster, which appears in the Washington Republic. The tenor of the letter may be gathered from the following brief extract:

"As citizens of the United States, we wish to thank you for recalling us to our duties, under the Constitution, and for the broad, national and patriotic views which you have sent, with the weight of your great authority, and with the power of your unanswerable reasoning, into every corner of the Union."

MARRIED.

On Thursday 4th inst., by Rev. Wm. G. Mullenix, Mr. BAILY A. BARTON, of Pickens District, to Miss CAROLINA RAREDEN, of Greenville District.

THE Hesperian Harp.

A New Music Book in Patent Notes.

BY DR. WM. HOUSER.

It is the greatest work of the kind ever offered to the world. It contains 576 pages, and more than 700 tunes—Psalms and Hymn Tunes, Odes and Anthems, Sun, Temperance, Moral, and Patriotic pieces; Scotch, Irish, German, French and other fine Foreign Tunes. Much new music never before published; the noble old tunes that thrilled the hearts of our fathers and mothers in their youth, and one of the plainest expositions of the principles of music and of musical composition ever published. It is especially suited to the taste of the South and West, (the author is a Southern man in birth, and education, and all his affinities) and is adapted to the Day School for children, the Singing School, the Church Choir of every denomination, the Missionary and Temperance Meeting, the proud gala-days of our Republic, and the social party, where good sense and the love of every thing virtuous and noble should rule the hour.

Inquire of the Booksellers and Country Merchants generally, and of GEORGE A. OATES, & CO., Augusta, Ga.

Teachers who will travel and sell this work, can make from \$500 to \$1500 a year. Address the author, Spier's Turn Out, Jefferson co., Ga.

All the South Carolina Weeklies and Tri-Weeklies will publish this advertisement for one month, and send their bills to the author.
